TINY HOME FLORALS

2026-2027 PRICING GUIDE

tinyhomeflorals.com

HELLO!

At Tiny Home Florals, we love-love and weddings are our absolute favourite!

We believe floral design is more than stem counts and arranging blooms, but about evoking feels and transforming a space. Our full service wedding experience focuses of collaboration, intentional designs, and harmonious details to align with your overall vision for your celebration.

We design wedding florals with excitement and heart that captures your unique love story, so you can focus on celebrating, while we bring the details to life.

PRICING GUIDE

This guide is designed to help you explore and plan your floral options and buiild your wedding budget. Since every floral design is custom made. final prices vary based on the complexity of your arrangement, flower varieties, and specific stem selections.
